

BITS BioCyTiH Foundation

Hiring “Young Professionals”

Number of positions: Two

Location: BITS Pilani campus (Goa, Pilani or Hyderabad)

BITS BioCyTiH Foundation (BBF), a leading technology innovation hub established by the famed BITS Pilani system, needs upto two Young Professionals (science / engineering background) having 0-3 years' experience (Laboratory / Incubation / Trainings / Prototyping / Business Development etc.) in any innovation, academic or Industry setup. The candidates should be eager to go up the learning / growth ladder and also connect with deep technology platforms.

This is a 1-year term with an attractive salary. Top performers can expect longer / regular tenures even after 6-months' appraisal.

How to Apply

Please email your latest CV with a cover letter outlining your interest for the position and how you fit the role. Last date for the application is 04th July 2026. Only suitable candidates shall be called for an interview.
